SERVICE YOU CAN TRUST

A Sony protection plan ensures you peace of mind knowing your camera is protected by Sony. Wherever your photos take you, we have your back.

SONY PROTECTION PLANS

We take great pride in all of our products. However, we know even the best manufacturing processes may require service here and there.

Sony protection plan extends warranty with additional protection for drops and spills, image recovery, and routine maintenance, Sony has you covered.

All of our plans are backed by Sony, so you can rest easy knowing your product will be protected like its our own.
